Title: Speech Language Pathologist - CCC

Status: Fulltime and Part-time Opportunities Available

Location: Grant Park in Atlanta, GA (on-site)

iSpeak Therapy Services is seeking a Speech Language Pathologist (SLP) who has a passion for helping the children we serve become stronger communicators. We provide pediatric speech/language therapy services to children from racially and economically diverse backgrounds at our Grant Park office in Atlanta, GA. Our therapist work closely with pediatricians and school personnel, as needed, to provide holistic care for each child.

As a SLP at iSpeak Therapy Services, you will start as a part-time independent contractor to build your caseload to 25 billable hours per week. Independent contractors earn \$35-\$40 per session, depending on experience, and have full access to needed materials and assessments. iSpeak Therapy Services has a strong pipeline of children waiting for service, which would allow you to quickly build your caseload and convert to a fulltime/regular employee, if desired. Fulltime/regular employees are eligible for at least 32 guaranteed hours, health insurance, paid time off, and CEU credits.

## SLP Responsibilities:

- Provide comprehensive speech and language evaluations
- Complete a comprehensive treatment plan and provide treatment accordingly
- Complete all required documentation accurately and adhering to all guidelines

## Position Requirements:

- Hold a current SLP License in the state of Georgia
- Graduate degree from a program recognized by ASHA

## Desired Qualification:

- At least one year experience as a pediatric SLP
- ASHA certified (CCC-SLP)

## Benefits:

- Competitive pay corresponding with your experience
- Work-life balance with flexible working schedules
- Materials and assessments provided
- Guaranteed hours, paid time off and health insurance available for fulltime/regular employees only
